

Deutsche Schule Durban – Golf Day Friday 17 November 2017 Sponsorship Proposal

As part of our ongoing goal to fundraise for the School with the aim of being able to keep the Fees to a minimum, we will be hosting a Golf Day at **Kloof Country Club** on **Friday 17 November 2017**. Deutsche Schule Durban would like to invite you to become involved in this exciting annual event that is an integral part of the DSD School Fundraising Schedule.

Overview of Deutsche Schule Durban

The Deutsche Schule Durban is an independent German school that offers a holistic education for children from Kindergarten to Grade 7. Established in 1971, the school is affiliated to the Independent Schools Association of Southern Africa (ISASA).

At present there are approximately 150 pupils attending the school, of which about one third are in the Kindergarten. The school also has a bursary program that supports pupils from low income and previously disadvantaged families that wish to attend the school. The school offers a learning experience that embraces the new South Africa, while at the same time enhancing the pupils' understanding of the German language, culture and values.

The schools education strives to:

- Achieve a high academic standard using modern teaching methods
- Develop a well-rounded personality
- Teach tolerance and respect, responsibility and discipline towards others and oneself
- Ensure cooperation between all members of the school community
- Ensure a family atmosphere, the small classes making it possible to give each pupil individual attention
- Make learning an interesting and enjoyable experience
- Foster a responsible attitude towards the environment

Sponsorship Details

This is a good opportunity to advertise your brand to a captive market in addition to contributing to a very worthy cause. There are various levels of sponsorship available to you:
