

R4 000 Enrolment Fee: Deutsche Schule Durban

Dear parents

Thank you for considering the Deutsche Schule Durban as an option for educating your child. We trust that you will have no regrets!

Please note that a R4 000 enrolment fee is applicable to all new children enrolled at our school, although this is only due when a child enters the Kindergarten or more senior grades, i.e. it is not levied on Schmetterling enrolments.

The levy will be due and invoiced accordingly when a Schmetterling child progresses into the Kindergarten (age 3 and older). However, Schmetterling parents may make this payment now at enrolment into the Schmetterling class if they wish. Obviously this levy will then not be invoiced when they progress in to the Kindergarten.
