

Our school Marketing and Development Departments take photos (and videos) at all school functions. Some of these photos are developed and displayed in the school or used in DSD information presentations at certain events. We also need photos and videos for our website and for newspaper articles and announcements (also in online media such as What's On or Facebook) with the aim of promoting our school and its events.

Please indicate in the space below whether you allow your child's photos and videos to be used by the DSD for this purpose.
